The Coalition's mission

\* To advocate for people experiencing homelessness or those at risk of homelessness in areas of public policy, including but not limited to: the availability of decent, accessible, affordable housing; adequate income maintenance programs; medical care; mental health services; social services; job training and employment.

\* To develop and maintain a network of members and supporters, and to provide technical assistance and coordination through our policy committees.

\* To provide public education about the problem of homelessness and its solution.

**Send your family, friends, colleagues, neighbors, or teachers a special gift this holiday season while helping children in need.**

Help us ensure children living in poverty have a bed of their own. Through our partnership with Dancing Deer, you can choose from the most delicious, thoughtfully baked holiday treats available to give to special people in your life, while making a significant difference to a child and their family. The proceeds will help us raise financial support to supply new

beds through [A Bed for Every Child Initiative](#).

## **Order online today!**

### **Raise Funds to Support the Coalition's Holiday Toy Drive by Participating in Constant Contact's #SmallBizSelfie Campaign**

From now until this Friday, December 5th, you can support the work of the Coalition by posting a picture of yourself at a small business with the hashtag #SmallBizSelfie on Twitter or Instagram. For each public post, Constant Contact will add your picture to their album and donate \$5 to support the Coalition's [Holiday Toy Drive](#). The toys will be distributed through the Coalition and our partner agencies to children and youth who are experiencing homelessness and living in poverty.
