Dear friend,

The [Executive Office of Housing and Economic Development](#) (EOHED) has announced two public hearings on the state's fiscal year 2013 budget. EOHED oversees several state agencies, including the Department of Housing and Community Development.

The first hearing will be **Tuesday, December 20th** from **5 to 7 pm** in **Worcester**, at **Union Station's Grand Hall**.

The second hearing will be **Tuesday, December 27th**, from **10 am to 12 pm** in **Boston**, at **1 Ashburton Place, Conference Rooms 2 and 3**.

It is critical for EOHED to learn about what's happening on the ground and how families, individuals, communities, and organizations are impacted by state funding decisions. Given the economic crisis and the very limited state funding available, it is more important than ever before that EOHED hears why programs and services for low-income individuals and families must be made a priority. Please consider submitting written testimony or attending a hearing and testifying in person.

If you have any questions or would like to share your testimony, please contact me at christina@mahomeless.org.

Thank you!
