Committed to ensuring that everyone has a place to call home.

## Prepare for Advocacy & Action! Pre-Legislative Action Day Training Call

The Massachusetts Coalition for the Homeless will be offering a training via conference call to help participants prepare to take part in our upcoming Legislative Action Day 2019.

At Legislative Action Day, we will be pushing for key budget and bill priorities, such as re-establishing a statewide rental arrearage program; increasing the funding to \$5 million for housing and services for unaccompanied youth and young adults; allowing families to access Emergency Assistance (EA) shelter without having to first stay in a place not meant for human habitation; easing access to Mass ID cards for people experiencing homelessness, and passing the bill of rights for people experiencing homelessness.

**Learn more and join with advocates, providers, and concerned citizens from across Massachusetts to strengthen the movement to prevent and end homelessness!**
