

RAAP Campaign

*Prevent homelessness by funding the
Rent Arrearage Assistance Program*

ENDORISING ORGANIZATIONS

The RAAP Campaign is a coalition of more than 130 organizations and agencies from across the Commonwealth, led by the **Massachusetts Coalition for the Homeless**, that has been working to restore a statewide rent arrearage assistance program and has pushed for the launch of the Upstream RAFT as part of the larger Residential Assistance for Families in Transition program (RAFT). Together, we believe Upstream RAFT can prevent homelessness by helping families and individuals remain stably housed when they are behind on rent, prior to experiencing an eviction.
