December 20, 2016

Greetings!

With two weeks to go until the end of the current legislative session, please join us in continuing to take action to pass the bill of rights for people experiencing homelessness, [House Bill 1129](#). **Today (or tomorrow morning), please ask your state legislators to sign onto [Representative Smitty Pignatelli's letter](#) to House Ways and Means Chair Brian Dempsey.** As you may know, the bill has been awaiting action by the House Committee on Ways and Means since last December. We are seeking as many co-signers as possible on Rep. Pignatelli's letter, to show Chairman Dempsey and legislative leadership the importance of swift passage of the bill of rights.

**HOMELESS
BILL OF RIGHTS**
HOUSE BILL 1129

Lead Sponsor:
Representative William Smitty Pignatelli

The Homeless Bill of Rights would entitle those experiencing homelessness to the same rights as any other resident of Massachusetts.

Creating a Bill of Rights for People Experiencing Homelessness:

House Bill 1129 aims to ensure that people experiencing homelessness are able to exercise the same rights as any other resident of Massachusetts. The rights included in the

bill are the right to move freely in public spaces, the right to equal treatment by municipal agencies, freedom from discrimination in employment, the right to emergency medical care, the right to register to vote and to vote, freedom from disclosure of records, and the right to a reasonable expectation of privacy of property. The bill seeks to have the rights outlined to be treated as a statement of legislative intent, as a guide for state and municipal agencies to prevent discrimination based on housing status.

Please call your legislators today to ask them to:

- **Sign onto Rep. Pignatelli's letter to House Ways and Means Committee Chair Brian Dempsey by tomorrow, Wednesday, December 21st at 2 p.m.**
 - To do so, your legislators can contact Gena Frank in Rep. Pignatelli's office at eugenia.frank@mahouse.gov or 617-722-2017 (x7655).
 - If your legislator already is listed on the letter below, please thank her/him for their prompt participation.
- **Weigh in directly with House Speaker Robert DeLeo, House Ways and Chairman Dempsey, and Senate leadership in support of this bill moving forward in the weeks ahead.**

Text of Sign-On Letter on the Bill of Rights for People Experiencing Homelessness

December 21, 2016

Brian S. Dempsey, Chairman
House Committee on Ways and Means
State House, Room 243
Boston, MA 01233

Chairman Dempsey:

We are writing to you today to respectfully ask that *H.1129, An Act providing a homeless bill of rights*, be favorably reported out of the House Committee on Ways and Means. It would be wonderful to see the Committee affirm that all citizens of the Commonwealth should have equal rights regardless of housing status in time for the holiday season.

This legislation would create a homeless bill of rights to ensure that people in Massachusetts are not mistreated or denied access to services based solely on their housing status. Included in the bill of rights is the right to use and move freely in public spaces, the right not to face discrimination while seeking or maintaining employment, and the right to vote, the right to register to vote and receive documentation necessary to prove identity for voting, and several other common-sense measures.

This bill would simply serve as a statement of legislative intent and would therefore incur no costs to the Commonwealth. The language was modeled after the law that was passed in Rhode Island in 2012, and since then, similar legislation protecting the rights of homeless persons has become law in Connecticut and Illinois.

Thank you for your consideration.

Sincerely,

Representative Smitty Pignatelli
Fourth Berkshire District
