Dear Kelly,

As you know, HomeBASE is a new housing program that will build upon the Emergency Assistance Flexible Funds program and other state initiatives to help families with children obtain and retain housing. The Department of Housing and Community Development (DHCD) has rescheduled the previously postponed information session on the new HomeBASE program. The session now will take place at DHCD's main office in Boston next **Monday, July 25th, from 2:00-3:00 p.m.** See below for more details.

Please join us to learn more about the August 1st implementation of this important initiative to help families who are at-risk or experiencing homelessness!
