Dear friend,

We are pleased to announce that WCVB Channel 5's *Chronicle HD* program will be highlighting the Massachusetts Coalition for the Homeless' Highland Kids Initiative this **Thursday, August 11th, at 7:30 p.m.!**

The Highland Kids Initiative is a collaboration among the Coalition, the Massachusetts Department of Housing and Community Development (DHCD), the City of Lynn Public Schools, and the Lynn Housing Authority and Neighborhood Development. This exciting initiative provides rental assistance, housing supports, and other services to families with children in the Lynn public schools who are at risk of homelessness. It is designed to improve the educational achievement of low-income children by eliminating the residential mobility of their families.

#### Show description from the [Chronicle web page](#):

"They were two families on the verge of homelessness: one, political refugees from Africa; the second, struggling with the death of a child and financial challenges. They enrolled in a pilot program run by The Massachusetts Coalition for the Homeless, called the Highland Kids Initiative, designed to pull them back from the brink. For the last year Chronicle has documented their progress; tonight we see how far they've come."
