Dear friend,

The [Executive Office of Health and Human Services](#) (EOHHS) has announced two public hearings on the state's fiscal year 2013 budget. EOHHS oversees various state agencies, such as the Department of Transitional Assistance, the Department of Children and Families, and the Department of Public Health.

The first hearing will be this **Friday, December 2nd** in **Northampton** from 3 pm to 6 pm. The second hearing will be **Friday, December 9th** in **Boston** from 2 pm to 6 pm. Details on the hearings can be found by clicking on the links to the left.

It is critical for EOHHS to learn about what's happening on the ground and how families, individuals, communities, and organizations are impacted by state funding decisions. Given the economic crisis and the very limited state funding available, it is more important than ever before that EOHHS hears why programs and services for low-income individuals and families must be made a priority. Please consider submitting written testimony or attending a hearing and testifying in person.

If you have any questions or would like to share your testimony, please contact me at kelly@mahomeless.org.

Thank you so much!

-Kelly
