Overview

A Bed for Every Child is committed to ensuring that every child in Massachusetts has a safe and comfortable place to sleep. Our mission is simple yet essential: to provide beds for children in need, improving their quality of life and chances of success. Our work is fueled by collaboration with community partners, promoting well-being, development, and academic success of low-income students.

Through our meaningful team bonding activity, the Build-a-Bed project, we build beds for children on our waitlist who lack proper sleeping arrangements. By building these beds, we provide a fundamental need to children who have gone without—a bed to call their own. It's a place for rest, for dreams, and for a sense of security.

For your team, it's a chance to step out of the office, work together in new ways, and see the direct result of your collaboration and care. Here's how it works: Your team participates in our Build-a-Bed project, a rewarding two-hour commitment that brings everyone together. There is something for everyone to do, and no experience with tools is necessary—it's fun for all ages and capabilities.

We handle all the logistics; we'll come to your group, set up the event, and provide all the necessary tools and materials. At the end of the event our team organizes the group for a team photo and shares closing remarks thanking the group for their time and support that day uplifting our mission.

Sponsorship

Each bed station is equipped with a drop cloth, a toolbox containing all necessary materials for safe assembly, and hardware required for constructing each bed component. Additionally, each station includes a brand-new mattress and delivery service to the children's homes, provided by A Bed for Every Child, an initiative of the Massachusetts Coalition for the Homeless. As a nonprofit organization, the contribution is tax-deductible. Build-a-Bed events are organized based on the size of your group and location.
