Top Bill Priority Campaigns

- Permanently establish and improve the Residential Assistance for Families in Transition (RAFT) homelessness prevention program

- **Lead Sponsors:** Representative Marjorie Decker and Senator Brendan Crighton
- **Bill Name:** An Act providing upstream homelessness prevention assistance to families, youth, and adults
- **Bill Numbers:** House Bill 1312/Senate Bill 856
- **Description:** This bill would put the Residential Assistance for Families in Transition (RAFT) homelessness prevention program into state statute and ensure that benefits are available to families and individuals earlier in a housing or utility crisis ("upstream"). The bill also seeks to streamline access, improve cross-agency collaboration, and allow households to access up to twelve months of assistance, without arbitrary dollar caps. In addition, the bill would require the Department of Housing and Community Development (DHCD) to publicly post reports on RAFT to provide increased transparency on how the program is operating and greater understanding of who the program is serving and not serving.

- Ease access to standard Massachusetts ID cards for people experiencing homelessness by eliminating the \$25 fee and allowing alternative ways to verify Massachusetts residency without requiring a permanent address

- **Lead Sponsors:** Representative Jim O'Day, Representative Kay Khan, and Senator Robyn Kennedy
- **Bill Name:** An Act to provide identification to youth and adults experiencing homelessness
- **Bill Numbers:** House Bill 3388/House Bill 3360/Senate Bill 2251
- **Description:** The Mass ID access bill (a.k.a. Everyone Needs ID bill) would ease access to Mass IDs for people experiencing homelessness by waiving the \$25 fee for IDs and easing the verification requirements for youth and adults who are unhoused and seeking IDs. The bill would apply to standard Mass IDs, not REAL ID Act-compliant Mass IDs, for which residents must provide additional verifications that meet federal standards. Versions of this bill were passed unanimously by the Senate during the past three sessions.

- Omnibus bill to ease access to the Emergency Assistance program (EA) and to create an ombudsperson unit to assist families applying for and participating in EA and HomeBASE

- **Lead Sponsors:** Representative Marjorie Decker and Senator Adam Gomez
- **Bill Name:** An Act improving emergency housing assistance for children and families experiencing homelessness
- **Bill Numbers:** House Bill 145/Senate Bill 86
- **Description:** This omnibus legislation would address access and administrative issues for families and children seeking to access or retain Emergency Assistance shelter and HomeBASE rehousing benefits. It would allow families that appear to be imminently at risk of homelessness to gain admission into EA shelter. It also would prohibit the Department of Housing and Community Development from turning families away due to lack of documentation and mandate that DHCD look in existing state benefits databases to obtain requested documentation instead of delaying applications by requiring families to provide such documentation directly. The bill also would establish an independent ombudsperson unit located in the Executive Office of Housing and Economic Development (or the anticipated successor Executive Office of Housing) to mediate between EA and HomeBASE participants/applicants and DHCD.

- Establish a bill of rights for people experiencing homelessness

 - **Description:** This bill would recognize and affirm various rights of people experiencing homelessness, such as the right to move freely in public spaces, the right to confidentiality of records, the right to privacy of property, and the right to register to vote and to vote. The bill would provide additional civil rights protections for people experiencing homelessness. The bill would affirm the right to rest, eat, pray, and be in public spaces by amending the Commonwealth's public spaces laws, amend the Commonwealth's voting laws to affirm the right to vote and register to vote without a permanent address, amend the Commonwealth's anti-discrimination laws to include housing status, and repeal archaic sections of Massachusetts General Laws regarding so-called "tramps," "vagrants," and "vagabonds." The bill would give the Superior Court jurisdiction to enforce the rights included in the legislation.
- **Permanently establish and improve the HomeBASE family rehousing program**
- **Lead Sponsors:** Representative Christine Barber and Senator Liz Miranda
 - **Bill Name:** An Act promoting housing stability for families by strengthening the HomeBASE program
 - **Bill Numbers:** House Bill 1297/Senate Bill 890
 - **Description:** This bill would put the HomeBASE program into state statute, direct the Department of Housing and Community Development to provide renewals of HomeBASE rental assistance to families and children who otherwise would be facing a return to homelessness, and increase the maximum benefit levels.

The bill would limit annual rent increases for covered dwelling units to the change in the Consumer Price Index or 5%, whichever is lower.
